Date

Print Name

**We reserve the right to conduct a due diligence review of your company. This includes ordering a Dun & Bradstreet report to verify whether there is any negative information that could prevent your company from being accepted for membership. (Negative information is defined as: "lawsuits, non-payment collection issues, convictions, and liens, etc.) Three business references may be required. Negative information on this form or on your D & B report does not necessarily exclude you from being approved.*
